DURATION	FROM (PER PERSON)	TRIP STYLE	TRIP CODE
5 days / 4 nights	£2,114.40	Wildlife Safari	WTE-3741

Overview

Four of Tanzania's best-known parks in five days. This classic northern circuit safari takes you from the elephants of Tarangire to the endless plains of the Serengeti and down into the Ngorongoro Crater.

Your safari at a glance

- Tarangire National Park: elephants, baobab trees and rich birdlife
- Lake Manyara National Park: tree-climbing lions, baboons and lakeshore birds
- Serengeti National Park: a full day of game drives followed by an early morning drive the next day
- Karatu: an overnight stop in the green highlands near the crater
- Ngorongoro Crater: a final game drive in the world's largest unbroken caldera before returning to Arusha

Who it suits

First-time safari travellers who want to see Tanzania's "big four" parks in under a week. Game drives and a professional driver-guide are included.

Day-by-Day Itinerary

DAY 01

Arusha to Tarangire National Park

You are picked up from your lodge early in the morning to start the beautiful journey to Tarangire National Park while carrying lunch boxes. Tarangire National Park is well-known for its large elephant herds. You will see a variety of landscapes, from seasonal swamps to savanna. All these while the Tarangire River winds its way through the parklands. You may see a lion stalking its prey and leopards relaxing in the trees above. Once the game drives are complete, we will drive you back to your lodge to relax, have dinner and stay overnight.

Main Destination: Tarangie national park

Accommodation: Marera Valley Lodge

Meals & Drinks: Dinner (Breakfast & lunch not included)

DAY 02

Lake Manyara National Park

After breakfast, you depart for Lake Manyara National Park. The journey includes a game drive and carried lunch boxes. Once the game drive is complete, we will drive you back to the lodge to relax and stay overnight. Lake Manyara National Park is famous for its arboreal lions, which hide among tree branches. You will also see numerous troops of baboons living in the forest, accompanying you along the road from the moment you enter the park.

Main Destination: Lake Manyara National Park

Accommodation: Marera Valley Lodge

Meals & Drinks: All Meals Included

DAY 03

Serengeti National Park

After breakfast, you will depart for Serengeti National Park on a game drive and enjoy lunch at a suitable place inside the park. We will continue the game drive activity in the afternoon before reaching the lodge. You spend the following day inside the park on game drives. Serengeti National Park is well-known for its great migrating herds of zebra, antelope, and wildebeest. However, be ready to see resident predators such as leopards, cheetahs, and lions fulfilling their role in the circle of life.

Main Destination: Serengeti National Park

Accommodation: Central Serengeti Luxury Camp

Meals & Drinks: All Meals Included

DAY 04

Serengeti National Park to Karatu near Ngorongoro

You will wake up early and enjoy a magical game drive in Serengeti National Park before you depart in the afternoon to Karatu. Your accommodation for the night is near the Ngorongoro Crater. Early the following morning, you descend into the crater for game viewing. Early mornings are the best time to see animals as they are more active in the morning than in the rest of the day.

Accommodation: Marera Valley Lodge

Meals & Drinks: All Meals Included

DAY 05

Ngorongoro Crater and Transfer Back to Arusha

After breakfast, you will descend into the Ngorongoro Crater for a game drive. Once you finish the game drive, you are transported to Arusha, where our safari concludes. The Ngorongoro Conservation Area is an area that constitutes the largest uninterrupted caldera in the world and one of the natural wonders of Africa. About 30 000 large mammals are resident all year round (such as buffaloes, lions, elephants, cheetahs, and rhinos), and a wide variety of birds (such as flamingos, eagles, and buzzards). So be ready to see many animals here within a short time.

Main Destination: Ngorongoro Crater
